Web UI Developer

Overview

JAVAD GNSS is seeking a talented Web UI Developer to join our dynamic team. The ideal candidate will be responsible for translating UI designs into functional and usable web applications, including some backend API development. This role involves maintaining the implementation of our design system library and coordinating with design and engineering teams to ensure all project requirements are met.

Duties

- Translate UI/UX designs into high-quality, responsive web applications using React
- Maintain and enhance the company's design system library to ensure consistency across all web applications
- Collaborate with designers and engineers to implement project specifications and requirements
- Optimize applications for maximum speed and scalability
- Ensure the technical feasibility of UI/UX designs
- Conduct code reviews and provide constructive feedback to peers
- Stay up to date with emerging trends and technologies in web development

Requirements and Qualifications

- BSc degree in Computer Science, Information Technology, or a related field
- Proven experience as a Web UI Developer or similar role
- Strong proficiency in frontend technologies: Typescript, HTML, and CSS, including DOM manipulation
- Strong proficiency in Python
- Thorough understanding of React and its core principles
- Familiarity with client-server applications, especially RESTful APIs
- Knowledge of modern authorization mechanisms, such as JSON Web Token
- Experience with common front-end development tools such as Vite, NPM, etc.
- Ability to understand business requirements and translate them into technical requirements

- Strong problem-solving skills and attention to detail

- Excellent written and verbal communication and teamwork skills

JAVAD GNSS, Inc. also provides full-time eligible employees access to a comprehensive medical, vision and dental coverage, as well as the option of participating in our 401(k)-retirement plan, short and long term disability insurance, life insurance and various other benefits.

JAVAD GNSS, Inc. provides equal opportunity in all our employment practices to all qualified employees and applicants without regard to race, color, religion, gender, national origin, age, disability, marital status, military status, genetic information or any other category protected by federal, state and local laws. This policy applies to all aspects of the employment relationship, including recruitment, hiring, compensation, promotion, transfer, disciplinary action, layoff, return from layoff, training and social, and recreational programs. All such employment decisions will be made without unlawfully discriminating on any prohibited basis.
